

SOLS Study Abroad

Fact Sheet

How to Study Abroad?

- Review “Getting Started” information at <https://studyabroad.asu.edu>
- Attend Study Abroad 101 info session or view online at <https://studyabroad.asu.edu/?go=SA101>
- Search for study abroad programs by clicking the “Programs” link on the Study Abroad Office website
- Meet with your SOLS academic advisor to learn what degree requirements you need to fulfill and how study abroad will help
- Meet with an SAO International Coordinator to discuss program-specific information and the application process
- Apply by **MARCH 1** for Fall, Academic Year and most Summer programs or **SEPTEMBER 25** for Spring programs.

When/What to Study Abroad?

- Sophomore and Junior Year are optimal
- Take upper division science elective coursework abroad
- Opportunities for freshmen & sophomores
